R. B. THIEME, JR., BIBLE MINISTRIES

**T**HE WORD OF GOD is alive and powerful, sharper than any two-edged sword, piercing even to the dividing asunder of the soul and the spirit, and of the joints and the marrow, and is a critic of thoughts and intents of the heart. (Hebrews 4:12)

All Scripture is God-breathed, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God might be mature, thoroughly furnished unto all good works. (2 Timothy 3:16–17)

Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2 Timothy 2:15)

## AFTER SALVATION, WHAT?

---

---

YOU HAVE MADE THE MOST IMPORTANT DECISION of your life—at a moment in time you believed in Jesus Christ as your Savior, the perfect Person judged as a substitute for your sins. From that instant of faith alone in Christ alone, you have eternal life and share the destiny of Christ.

For God so loved the world, that He gave His only begotten [uniquely born] Son, that whoever believes in Him should not perish, but have eternal life.  
(John 3:16)

Heaven is guaranteed to every believer (1 Peter 1:4–5). But the quality and impact of the believer's life on earth depend on his execution of God's plan *after* salvation.

What is God's plan for you following your personal faith in Christ? Learn and apply Bible doctrine and advance to spiritual maturity. The Bible reveals God's person and plan. Bible doctrine is the content of the Word of God and is called the "mind of Christ" (1 Corinthians 2:16). Doctrine communicates absolute truth and is designed to become the measure or standard of your thinking.

When you learn who and what Christ is, you can begin to apply His thinking. God commands you to think divine viewpoint "by the renewing of your mind" so that His gracious purpose can be fulfilled in your life (Romans 12:2).

God's purpose for you after salvation calls for spiritual growth.

But grow in the grace and knowledge of our Lord and Savior Jesus Christ.  
To Him *be* the glory, both now and to the day of eternity. Amen. (2 Peter 3:18)

You are kept alive on earth to fulfill your personal destiny—to become a mature believer as an expression of God's glory in both time and eternity. Only as a *mature* believer can you consistently glorify God and receive the highest and best that He has prepared for you (Ephesians 1:3–6).

You advance spiritually by consistently learning, thinking, and applying Bible doctrine. Persistent intake and application of doctrine increase your capacity for life, for love, for Christian service, for blessings, for happiness.

Now to Him who is able to keep you from stumbling, and to make you stand in the presence of His glory blameless with great joy, to the only God our Savior, through Jesus Christ our Lord, *be* glory, majesty, dominion and authority, before all time and now and forever. Amen. (Jude 24–25)

## SALVATION BOOKS

**THE BARRIER** is impassable and insurmountable. No human being can break through this obstruction. Mankind is born on the wrong side of the barrier, hopelessly separated from any relationship with God. God always knew that man through his negative volition would alienate himself from his Creator, so in eternity past God the Father designed a perfect plan to remove the barrier. He sent His Son, Jesus Christ, to be judged for our sins on the cross, to bring man from enmity to peace with God. And yet, even though Jesus Christ removed the barrier, your relationship with God depends on you. Only one issue remains: What do you think of Jesus Christ? Only one decision separates you from God. If you believe in Christ, you cross the line of separation and receive God's gift of eternal life. [Basic Book #4]

**THE BLOOD OF CHRIST** links the New Testament with the Old Testament. God ordained animal sacrifices in Israel to foreshadow the saving work of the promised Messiah, and for hundreds of years, the innocent animal symbolically bore the guilt of the sinner. When Christ came as the reality, the promise was fulfilled. He became “the Lamb of God who takes away the sin of the world.” For some believers, however, the blood of Christ has been associated with a lifetime of emotional experiences. They have grown up with the idea that there was a special power in the red liquid that circulated through Jesus’ mortal body. This mysticism is not biblical! The

“blood of Christ” is a metaphor for His spiritual death in which He received the judgment that removed the penalty of sin.

**GOD’S PERFECT GIFT** Have you ever received a beautiful Christmas present, only to be disappointed? Even if the gift is just what you wanted, the pleasure is fleeting. Yet, God has given you an eternal gift that will never disappoint—a gift not just for Christmas or special occasions, but for every day. This perfect gift is the unique Person of the universe—the Lord Jesus Christ, who as our substitute sacrifice on the cross paid for all the sins of all mankind. If you accept God’s perfect gift, you will possess the greatest gift in all the world: eternal salvation and a permanent relationship with God in time and eternity. “For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him will not perish, but have eternal life” (John 3:16). [pocket-sized booklet, English and Spanish]

**HEATHENISM** answers the questions, “What about those who have never heard the good news of salvation? What about primitive peoples who live far beyond the frontiers of civilization and speak in obscure languages? What about those in any civilization or culture who have never had the chance to hear the Gospel?” The reality is, God never overlooks the positive volition of anyone. He provides abundant evidence by which every individual can become aware of His existence. He overcomes every obstacle to disseminate the Gospel to those who seek Him. No one is hidden from His grace. His divine attributes guarantee the provision of Gospel information “even to the remotest part of the earth.” [Basic Book #10]

**A MATTER OF LIFE & DEATH** Until this moment you may not have been aware that you were born under a sentence of death. You may think of yourself as a ‘good person’ and feel that God would never condemn you. But you are guilty, helpless to save yourself from this death penalty. There is no ability you possess or any work you can perform to redeem yourself. Only God can provide the way of eternal life. This Gospel booklet presents the plan of salvation for the unbeliever. Available in English and Spanish. [pocket-sized booklet, English and Spanish]

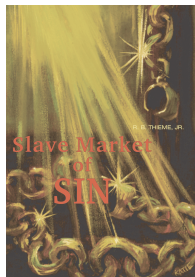

**THE NIGHT BEFORE CHRISTMAS** This poem by R. B. Thieme, Jr., portrays the magnificent message of the first Christmas. To further illuminate the noble purpose for the birth of the Lord Jesus Christ, “seven truths” are recounted from Luke 2:7–20. This Christmas treasure is a small booklet, ideal for enclosure in Christmas cards and gifts. [pocket-sized booklet]

**THE PLAN OF GOD** reveals God’s provision for your salvation, His purpose for your existence after salvation, and the treasures He has waiting for your eternal future in heaven. The moment you believe in Christ you immediately share His life and destiny. But to attain the wonderful peace, happiness, and contentment God has planned for your life on earth, you must learn Bible doctrine and grow to spiritual maturity. The Bible communicates God’s Word so that absolute truth becomes the measure of your conscience, the source of your thinking, and the motivation of your life. Empowered by the Holy Spirit and armed with Bible doctrine, you can fulfill your destiny to glorify God. You can receive the highest and best He has provided.

Consistent spiritual growth from Bible doctrine in your soul creates capacity for life, for love, for Christian service, for blessing, for happiness. God has devised the design of the ages, the perfect plan for you personally. All you have to do is understand His gracious offer and seize the incomparable opportunity for a life of meaning, purpose, and definition. [Basic Book #1, English and Spanish]

**SLAVE MARKET OF SIN** We think of ourselves as free, but we are born in an inescapable slavery—bondage to sin. As members of the human race we exist in a slave market of sin, helpless to redeem ourselves. We enter the world with a sin nature, separated from God and powerless to establish a relationship with Him. We have no way to emancipate ourselves from the captivity of our inherited depravity. However, the gracious plan of God for mankind calls for a savior, a redeemer—the Lord Jesus Christ—to purchase our freedom from the slave market. Christ is the only person qualified to make such a purchase. The only requirement for eternal release from the slave market of sin is faith alone in Christ alone. [Basic Book #3]

## CHRISTIAN LIFE BOOKS

---

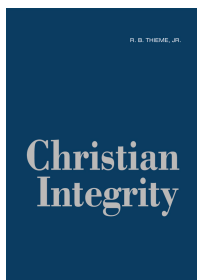

---

**BETTER THINGS FOR CHRISTMAS** is more than just a wonderful salvation message for the unbeliever. For the believer whose Christmas is filled with frantic frustration, disillusion, and misery, *Better Things for Christmas* delineates just how to get back on the right track. God's plan for the believer is to live a life of perfect happiness and to have Christmas every day, not just once a year. *Better Things for Christmas* outlines the unique position of the Church Age believer and what God has provided for him. Only when the believer appropriates this divine provision by learning and applying the Word of God will he then have inner peace, inner blessing, and inner happiness—the better things that make every day Christmas. [pocket-sized booklet, English and Spanish]

**CHRISTIAN, AT EASE!** Claim the promises of God, mix them with faith, and enter into God's rest. Bible promises encapsulate divine thinking and give the believer confidence in God. In adversity or prosperity, the believer can claim promises to stabilize his mind, recall the Bible doctrine behind the promises, and reach doctrinal conclusions that form the basis for a vigorous spiritual life. The Christian at ease has learned to tap divine resources and find inner strength and happiness. [pocket-sized booklet, English and Spanish]

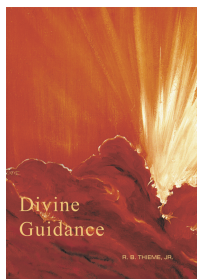

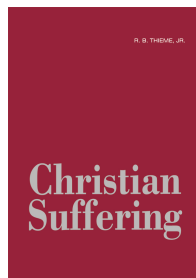

**CHRISTIAN INTEGRITY** is the strength of the advancing believer. Integrity means wholeness of character, consistency of word and deed, uncompromising adherence to a code of values. Christian integrity comes from living by the Word of God. This book presents the Christian way of life as a dynamic unity. Each biblical command for the believer reveals an aspect of God's grace, but all His grace provisions function together as a single system of power and love. By understanding God's plan as an integrated system, the believer can adhere to all God's mandates. He can avoid distortions that come from taking favorite biblical principles out of

their doctrinal context. No part or parts of God's system will function effectively if isolated from the system as a whole. The believer who lives within God's system of power and love has Christian integrity. [Available in English, Spanish and Portuguese.]

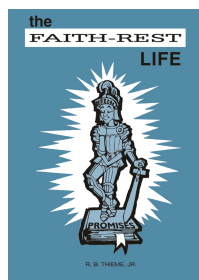

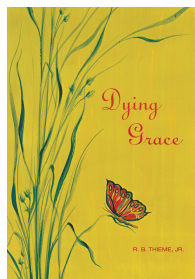

**CHRISTIAN SUFFERING** presents the biblical perspective on suffering. Why do Christians experience pain, distress, and grief? How does God convert cursing into blessing? These questions are answered in detail from the Scriptures. Understanding God's reasons for suffering equips the believer to handle adversity. He learns to identify and eliminate self-induced misery, which is by far the most common form of human anguish. He also learns to avoid divine punishment. Most important, he begins to comprehend the powerful assets God has given him for solving problems. Consistent use of these invisible problem-solving devices under pressure accelerates his spiritual growth and glorifies God to the maximum. No suffering in life is too great for the plan of God. The Christian must possess a thorough understanding of suffering to persevere under pressure and advance to spiritual maturity. [Available in English, Spanish and Portuguese.]

**DIVINE GUIDANCE** is the doctrine of determining God's will for your life. God guides you by communicating His will through divine revelation. No believer can know or do the will of God apart from knowing the Word of God. The Bible reveals numerous mandates that universally declare what the will of God is and is not for every believer. The other intentions God has for your individual life that are not directly stated in Scripture must be determined from Bible doctrine in your soul. From the application of Bible doctrine you will resolve what God wants you to think, what He wants you to do, and where He wants you to go. Spiritual growth and maturity supply

confidence that you will know God's design at any time and under every circumstance of life. [Basic Book #11]

**DYING GRACE** Life hangs by a slender thread that can be snapped at any moment. Does that thought frighten you? Cause you dread and panic? God did not design dying to be horrible or frightening for the believer in the Lord Jesus Christ. To the contrary, God designed your dying moments to be the best, the sweetest part of living. In dying grace, He graciously supplies every need to make this a time of supreme happiness and tranquillity, as you anticipate meeting the Lord of Glory face to face. Your dying moments are highly valuable to God because they are His final opportunity to honor His infallible Word in your soul. Bestowing dying grace demonstrates His divine approval. With Bible doctrine, you appreciate all the fantastic blessings of dying grace so that your dying moments are glorifying to God.

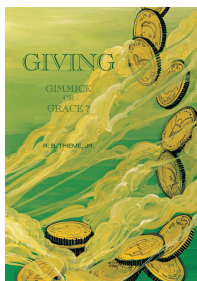

**THE FAITH-REST LIFE** Faith-rest is the life of peace designed for you as a believer in the Lord Jesus Christ. This life is characterized by a moment-by-moment tranquillity, happiness, and stability. But how can you have this perfect rest when you are surrounded by pressure, adversity, and disaster? God wants you to do only one thing—trust Him! Believe His Word! Mix the promises from the Bible with faith! If you trusted Him for the greatest thing He could ever provide—salvation, then you can trust Him for the lesser things—solutions to your problems. When you use the faith-rest technique, you stand on the solid ground of the Word of

God. Bible doctrine becomes a living reality in every experience. No matter what happens to you, no matter how difficult your problems, you have “the peace of God which passes all understanding.” [Basic Book #7, English and Spanish]

**FOLLOW THE COLORS** Down through the ages, military organizations employed various types of flags, or “colors,” around which soldiers could rally amidst the confusion of combat. The battle cry, “Follow the colors!” became the command to strike a mortal blow against the enemy, to fight and attain the high ground—the place of victory. Jesus Christ, the Supreme Commander, leads His battalions into spiritual warfare. He unfurls the regimental colors of Bible doctrine and calls for the royal regiment of the family of God to follow. With knowledge of Bible doctrine resident in the soul, the believer charges onto the battlefield of the angelic conflict. Wherever the colors lead, the believer who follows will secure spiritual victory on the high ground and accrue fantastic rewards in eternity.

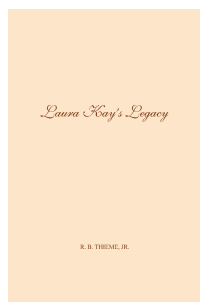

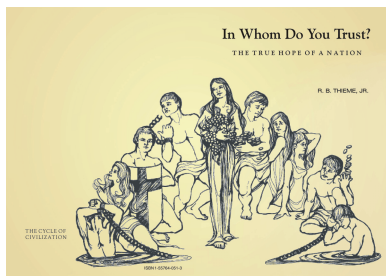

**GIVING: GIMMICK OR GRACE?** Giving is an expression of worship that commemorates God's grace. Grace is all that God can do for man and still be consistent with His own character. We are saved by grace, we live by His grace, and we give by His grace. Grace giving meets divine standards and glorifies God. Grace giving requires the filling of the Holy Spirit and reflects grace orientation, Bible doctrine resident in the soul, and virtue love. Without these spiritual motivations, giving has no spiritual value. All too often Christian giving is coerced by guilt, emotionalism, or peer pressure.

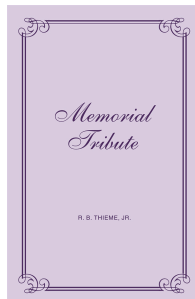

Two chapters in 2 Corinthians are the most extensive passages of Scripture on the concept of giving. This book focuses on these chapters which present aspects of God's grace, define correct motivation and mental attitude for giving, and illustrate grace giving in the early church.

**IN WHOM DO YOU TRUST?** The cover design depicts the spectrum from virtue to degradation that drives the cycles of every civilization throughout history: the rise from bondage to freedom and the fall back to bondage. Each figure represents Dean Clarence Manion's ten-word portrait of the cycle of civilization. The only hope for reaching and maintaining the pinnacle of human existence is to have faith and trust in the living hope, the Lord Jesus Christ.

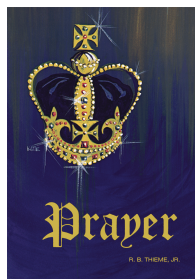

**LAURA KAY'S LEGACY** "Sweet little Laura Kay" was called to her eternal home on 3 November 1998. Although classified as physically and mentally handicapped, her life is proof that there are no spiritual handicaps in the Christian way of life. Her biography is a tribute to the grace of God: saving grace, living grace, dying grace, and eternal grace. Laura Kay was content to follow the destiny God had assigned to her. She worked for R. B. Thieme, Jr., Bible Ministries for twenty-four years loyally and faithfully performing her daily tasks as unto the Lord. She loved the Lord and this gave her His happiness and a remarkable capacity to love people—she had friends all over the world!

**MEMORIAL TRIBUTE** is an edited transcript of a memorial service given by R. B. Thieme, Jr., as Pastor of Berachah Church. Anytime God removes a person from this life, the decision is based on His perfect wisdom and integrity. Those of us left behind can rejoice in the knowledge that the departed believer is in a state of perfect happiness with the Lord. Furthermore, the death of a loved one is often a reminder of the shortness of time we have on this earth. By making the greatest decision of our life—choosing to believe in the Lord Jesus Christ as Savior—we can be prepared for eternity.

**MENTAL ATTITUDE DYNAMICS** Behind every face is a mental attitude, a manner of thinking. You are what you think! God mandates that you think divine viewpoint—the mind of Christ—a perspective of life based on the infallible Word of God. When Bible doctrine is the foundation of your thinking, you will have confidence and stability under all circumstances, an orientation to grace, an inner happiness that produces capacity for life, love, and blessing, and a relaxed mental attitude toward people. [Basic Book #9]

**PRAYER** is the great weapon of the spiritual life! Through prayer you have instant access to the throne room of God to communicate directly with God the Father. But to pray effectively, you must know how to pray. God has established basic ground rules to follow. Armed with these procedures, you will be able to confidently approach the throne of grace and express gratitude to God, intercede on behalf of others, and petition for your own personal needs. God has mandated you to “pray without ceasing.” Wielding the power of prevailing prayer, you have the opportunity to support those in need; to participate in the ministries of pastors, missionaries, and evangelists; to sustain and deliver the nation. God answers prayer in fantastic ways, but always so that His will and plan might be fulfilled. [Basic Book #12]

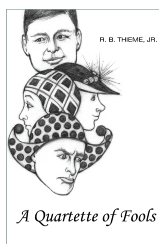

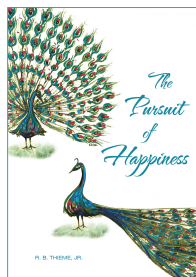

**PSALM TWENTY-THREE** The comforting words of the familiar twenty-third Psalm resound through the centuries. Written by David in his darkest despair, this song of hope holds a treasure of God's grace and provision for all believers. David faced a revolution led by his beloved son Absalom. Forced to flee for his life, he relied on the true Source of his security and prosperity—the Lord Jesus Christ. David's journey through the death-shadowed valley gives us insight into how a mature believer endures suffering in disaster and triumphs over his enemies.

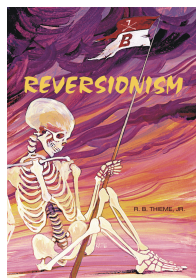

Like David, the believer who pursues Bible doctrine and advances to spiritual maturity will be rewarded with blessing and prosperity in time and in eternity. "The Lord is the one who keeps on shepherding me," David wrote, "I cannot and do not lack anything." [pocket-sized booklet]

**THE PURSUIT OF HAPPINESS** Scripture declares King Solomon "greater than all the kings of the earth in riches and wisdom." From an ivory throne overlaid with pure gold, Solomon ruled the prosperous kingdom of Israel. Vast treasures, costly goods, and rare novelties like apes and peacocks enriched his noble court. Yet Solomon did not have happiness. *The Pursuit of Happiness* confirms that only through fellowship with God and the pursuit of His Word can the believer attain stability, contentment of soul, and a true and enduring happiness. [Available in English and Spanish.]

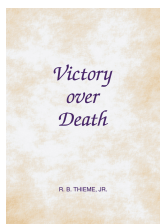

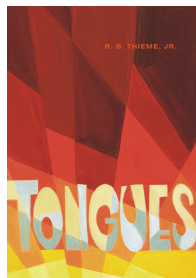

**A QUARTETTE OF FOOLS** There is no more beautiful sound in all the world than four people blending their voices in perfect harmony. Conversely, the most lugubrious ululations emanate from voices clashing in a discord of sound. Such is the quartette of fools: the atheist fool, the rich fool, the shameless fool, and the Christian fool. Three members cannot sing, cannot harmonize, yet the fourth produces the finest harmony in the world! Find out where you fit into this quartette. [pocket-sized booklet]

**REVERSIONISM** Why do believers sometimes act like unbelievers? Are they truly saved? Yes, if they have believed in Jesus Christ they are saved for all eternity. But any Christian who habitually revolts against God's plan is in reversionism—spiritual decadence brought on by perpetual carnality and rejection or neglect of Bible doctrine. Reversionism explains why believers emulate unbelievers. In reversionism sin becomes a way of life, yet God in His grace always provides the way of recovery. Avoid the pitfalls of reversionism through rebound and consistent spiritual growth. With Bible doctrine in your soul you can distinguish between human viewpoint, the

expression of Satan's diabolical genius, and divine viewpoint, the manifestation of the thinking of Christ. Instead of retreating in reversionism, advance and reach the objective, the supergrace life!

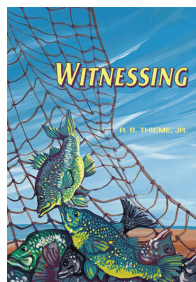

**TONGUES** will cease. Distortions have permeated contemporary Christianity making this one of the most controversial statements in the Bible. Millions of believers today profess to speak a language they do not understand, claiming a manifestation of the baptism of the Holy Spirit and evidence of a superior relationship with God. The animation and enthusiasm of their displays have infiltrated denominations and sects throughout the Christian world. The spiritual gift of tongues, prophesied by Isaiah, was designed for a specific divine purpose—a warning sign to Israel of impending national destruction. This gift, bestowed by the Holy Spirit on the Day of Pentecost A.D. 30, would be an unmistakable sign of Israel's spiritual failure and imminent divine judgment and would also herald the new Church Age. But this spiritual gift is not operational today. The final authority for resolving the theological conundrum of tongues is the infallible Word of God. Subjective thinking and emotionalism mislead and obscure the truth of Bible doctrine. Only the pertinent passages from Scripture, correctly translated and accurately interpreted, can reveal to the believer the truth about tongues.

**VICTORY OVER DEATH** The greatest decision we can make is the one that prepares us for death and dying—the decision to personally believe in Jesus Christ for eternal salvation. Therefore, when a Christian loved one dies, we celebrate the death of that believer as a victory. Death is God's victory. He gives that victory to us by determining the time, the manner, and the place of our death. God's decision to take a believer home is always fair and timely. This edited transcript provides comfort from the Scripture and the reassurance that Jesus Christ Himself

has provided victory over death. Available in two sizes: a pocket-sized booklet, ideal for enclosure in sympathy cards and letters, and a full-sized book, suitable for memorial or funeral services.

**WITNESSING** is the declaration of the good news of salvation, the Gospel of Jesus Christ, to the unbelieving world. But is this responsibility and privilege reserved solely for the pastor, missionary, and evangelist? Definitely not! Every believer is responsible for presenting the Gospel to a lost and dying world. What do you tell unbelievers about Christ? You must explain what He accomplished on the cross and how anyone can receive this incomparable gift. Your guiding principle is faith alone in Christ alone. You are the point of contact in the unbeliever's search for meaning and purpose in life. Without faith

in Christ and an eternal future, his life is ultimately meaningless. When a loved one, a friend, or even a stranger believes in Christ as Savior from your presentation of the Gospel, you will experience the inexpressible reward of serving our Lord through witnessing. [Basic Book #13]

## SPIRITUALITY BOOKS

---

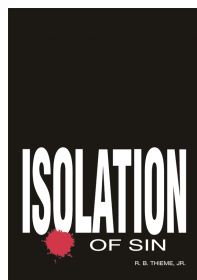

---

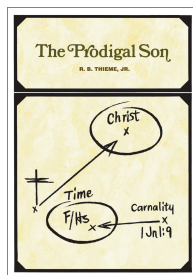

**GOD THE HOLY SPIRIT vs. THE SIN NATURE** is a ceaseless inner conflict. Each Christian by his own volition determines who controls his life at any moment. The sin nature is inherent at birth. As long as we live we retain this genetic distorter of our lives, with the result that we cannot fulfill the plan of God. Yet God's marvelous plan can be fulfilled. Through the invisible ministry of God the Holy Spirit we can execute the Christian way of life. This book tells the dramatic story of Elijah in 1 Kings 19. After a powerful spiritual victory, he flees in terror because of an empty threat against his life. The spiritual hero becomes totally ineffective.

This Old Testament prophet vividly illustrates a principle that applies to every New Testament believer: there is a vast difference between living under the control of the sin nature and leading a life of spiritual dynamics under the control of the Holy Spirit. [Basic Book #8]

**ISOLATION OF SIN** breaks the vicious cycle of carnality shackling many believers to their past failures. God's grace solution for the believer's sin is rebound, privately confessing or naming sins to God the Father. Rebound instantaneously accomplishes divine forgiveness, recovery of the Holy Spirit, and restoration to fellowship with God. Yet many believers immediately fall out of fellowship, caught in reaction, guilt, and a chain of mental, verbal, or overt sins. As their frustration mounts, carnality seems overwhelming. How do you break this cycle? Disengage yourself from forgiven sin! When God forgives a sin, it no longer belongs to you. Do not reclaim the burden! God has blotted out your sin! Feeling guilty, habitually looking backward, worrying, or chronic self-reproach only perpetuates your status in carnality. When you isolate your sins by "forgetting those things which are past," you can "press on" to the high ground of spiritual maturity in your Christian life. [Basic Book #6, English and Spanish]

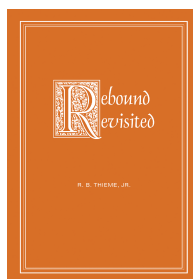

**THE PRODIGAL SON** leaves home and squanders his inheritance in riotous living. His elder brother stays home and works hard. When the prodigal returns and is restored to his father, the elder brother becomes petty, jealous, bitter, and resentful. Despite their different paths into carnality, their sins cannot remove them from the circumstances of their birth. Once a son, always a son! As a “born again” believer, whether you sin like the prodigal or like the elder brother, you remain a permanent member of the family of God, but you lose your temporal fellowship with God. To remedy this rift, God has provided a simple, grace procedure—rebound—so that your postsalvation sins are forgiven and you can recover fellowship and move on in the Christian life. Jesus taught the parable of the prodigal son to an audience of self-righteous legalists who reviled the profligate prodigal and praised the holier-than-thou elder brother. Yet they entirely missed the message! Everyone who believes in Christ by faith alone is a permanent son of God. Once a family member, any believer can reclaim his Christian life from carnality and be restored to fellowship with God. [Basic Book #14, English and Spanish]

**REBOUND & KEEP MOVING!** is the key that unlocks the Christian way of life. After salvation the sin nature remains a relentless adversary, tempting the believer to sin and live in carnality. When the believer sins, fellowship with God is destroyed, the filling of the Holy Spirit is temporarily lost, and spiritual progress ceases. Rebound is the simplest yet most incredible concept in the spiritual life. Rebound defeats sin. Guilt, anguish, remorse over past failures vanish knowing that God forgives and forgets all past sins. Rebound is our access to intimacy with the Lord, the gateway to divine power in our lives, our license to serve the Lord.

Rebound opens the door to the wonderful freedom the grace of God offers to every believer in Jesus Christ. [Basic Book #5, English and Spanish]

**REBOUND REVISITED** explores the divine directive for dealing with personal sin after salvation and regaining momentum in the spiritual life. The Apostle Paul, above all men, completely understood the importance of rebound, naming his sins privately to God the Father. Yet at one point, even Paul allowed his feelings to supersede his knowledge of God’s wonderful plan of recovery. He was mired in human viewpoint and human solutions until he finally set aside his emotion, utilized the rebound technique, and resumed his advance in the spiritual life. Rebound is the divine solution for recovering fellowship with God. Never a work on the part of the believer, rebound reveals the majestic grace of God. God does all the work. He requires no

emotional purging, agonizing, godly sorrow, penance, or faith. Recovery from sin and regaining fellowship with God result only when the believer follows the gracious mandate of 1 John 1:9.

## GOD'S ESSENCE BOOKS

---

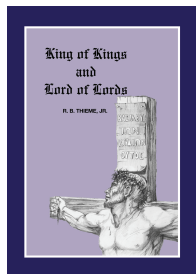

---

**THE INTEGRITY OF GOD** assures mankind that absolute trust in perfect God is always well-placed. The unbending strength of God's essence is fully behind everything He does or sponsors. All the attributes of His essence form one consistent, indivisible whole—His total person—and each attribute works together in complete harmony for the ultimate good of the believer. God has always possessed integrity as part of His eternal, infinite, perfect essence. *The Integrity of God* defines God's integrity and how it operates in behalf of each Christian, from our salvation to our spiritual life to our rewards in heaven. Understanding this biblical doctrine clarifies the purpose of

our lives and explains our magnificent relationship with the God of righteousness and justice. [Available in English, Spanish, and Portuguese.]

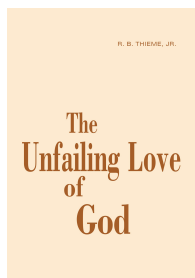

**KING OF KINGS AND LORD OF LORDS** Who was this Jesus Christ? Why was this innocent man put to death? Jesus was undiminished deity while humbling Himself as true humanity in one person. He came to die as our substitute, the perfect sacrifice for sinful man—the only way of salvation. He is the unique person of the universe, King of kings and Lord of lords! Delineated in this book are the six trials of Christ, His phenomenal character and strength in the face of agonizing torture, His work as Mediator between God and man, and the significance of His resurrection. He is now seated at the right hand of God the Father in heaven. One day He will reign over the entire world and we, as believers in Christ, will be a part of His magnificent kingdom.

**THE TRINITY** is a doctrine unique to Christianity. No other faith, religion, sect, or philosophy that advocates one God also proclaims that God is Three-in-One. This apparent paradox does not mean there are 'three gods in one,' but that one God exists as three persons who are coequal, coinfinite, and coeternal, all possessing the same essential nature. God is one in essence, but three in persons. The Trinity is not abstract theology but a practical doctrine that you should comprehend. Your understanding of the plan God the Father has designed for you illuminates your destiny in time and eternity.

Your understanding of the person and work of Jesus Christ illuminates your so-great salvation. Your understanding of the Holy Spirit affects your concept of living the Christian life. Only by perceiving the true biblical perspective of the Trinity can you come to love God, grow spiritually, and fulfill your very own spiritual life. [Basic Book #2]

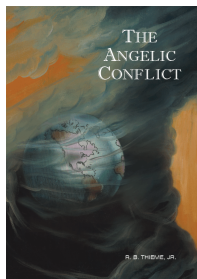

**THE UNFAILING LOVE OF GOD** The Bible declares that “God is love”—a simple yet significant statement revealing that love is what God *is* as well as what He *does*. Do you have a full understanding of the depth and magnitude of this love? Or is your conception of His infinite divine love merely based on your own limited concept of human love? The love of God provides your salvation, motivates your growth to spiritual maturity, and secures your glorious, eternal future with Him. God’s plan for your life is based on His unfailing, unconditional love. He always deals with you in love. He loves you even though you are unattractive, unlovable, and undeserving. As your understanding and appreciation of the love of God grows, you learn to reciprocate that love. Reciprocating His love increases your capacity to love in your own soul and to sustain extraordinary relationships with other people. [Available in English, Spanish, and Portuguese.]

## HISTORY AND PROPHECY BOOKS

---

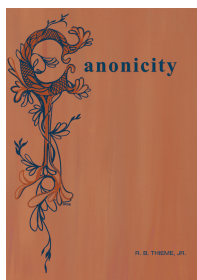

**THE ANGELIC CONFLICT** rages around us. This is not a world war. This is a war beyond the world—an invisible warfare between the forces of Satan and the forces of God. Long before the advent of human history, Satan arrogantly rebelled against his Creator. He wanted to make himself “like the Most High” and recruited one-third of the angels to follow him. When God justly condemned Satan and his fallen angels, Satan appealed the sentence—questioning how a loving God could cast His creatures into hell. Planet Earth is now the battleground where Satan seeks to prove the judgment unfair and foil the execution of his sentence. Through the freewill decisions of mankind, God proves to Satan His perfect justice and love again and again. As believers, it is imperative we understand the spiritual warfare that surrounds us. Satan uses every ruse at his command to derail and discredit those who are in Christ, but God has provided for our defense an overwhelming advantage in a powerful suit of spiritual armor. With it we can withstand the “flaming missiles of the evil one” and become heroes in the invisible war. [Available in English and Spanish.]

**ANTI-SEMITISM** is a masterstroke of treacherous evil. Endless Jewish persecutions verify Satan-inspired antagonism toward God's elect people. History authenticates the devastating effect of such virulent bigotry, while the biblical portrayal of this heinous intolerance presents the divine perspective and solution. Old and New Testament passages outline the plan of God for the Jew throughout human history. In the unconditional covenants to Israel, God guarantees that the Jew will survive despite cruel treatment. Therefore, He condemns anti-Semitism as a contradiction to His sovereign will and purpose. No one should ever be guilty of this

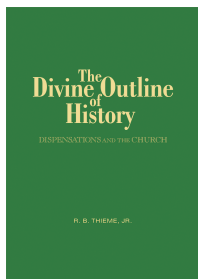

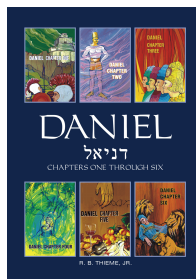

insidious prejudice. Divine judgment and utter ruin are the ultimate destiny of individuals or nations that practice anti-Semitism—in the past, present, and future.

**ARMAGEDDON** On a day yet future, Israel will be the focal point of the last, most terrifying conflagration the world has ever seen. Armageddon is truly the war to end all wars! Because of the unique promises of God to Israel, Satan has sponsored hostility toward the Jews throughout history. In a final act of malevolence, he brings together four great, satanically-inspired, gentile empires to annihilate this tiny nation. Israel is surrounded, cut off, caught in a hopeless military situation by these vast armies. The Jews have only one salvation. Their Messiah, the Lord Jesus Christ, will return to earth to fight for them. In triumph He will defeat the forces arrayed against Israel, depose Satan as the ruler of this world, establish His millennial kingdom, and fulfill His covenants with Israel.

**CANONICITY** vividly describes the divine inspiration that produced the Bible. As the revelation of God, the Bible is the most widely read, most influential, and most enduring book ever published. *Canonicity* answers many perplexing questions: How was the Bible preserved through the centuries? Is the Apocrypha actually a part of the Word? What about the Dead Sea Scrolls? For the student of Bible doctrine, a knowledge of the historical formation of the Word of God is a source of strength to defend against the numerous attacks upon the authenticity and authority of the Bible.

**DANIEL CHAPTERS ONE THROUGH SIX** In every age, God's plan for humanity includes certain ordinary people who do the extraordinary: they impact history and glorify God by using divine solutions to overcome adversity. What enables these remarkable believers to exhibit virtue and courage in a crisis? They trust in the Lord and fortify their souls with Bible doctrine. Daniel was such a man. Under the intense pressure of catastrophe, his faithfulness and dependence on the Lord distinguished him as a man with a noble purpose in life. God uses prepared believers, and this Jewish aristocrat was spiritually prepared to transform the Chaldean and Persian Empires into citadels of stability and honor in the ancient world. Devoted service and promotion to high office in both Chaldea and Persia placed Daniel in the unique position to further advance the plan of God for Israel. He was truly a man for the crisis. Throughout monumental adversity Daniel never once wavered from divine viewpoint. His life exemplified that any believer armed with Bible doctrine in the soul can do the extraordinary in the midst of human disaster.

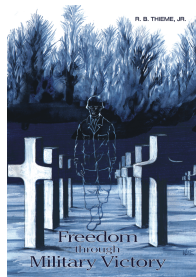

### **THE DIVINE OUTLINE OF HISTORY: DISPENSATIONS AND THE CHURCH**

The divine outline of history is etched in time and explained in the Word of God. God unfolds His plan for mankind as a sequence of historical epochs. Unique characteristics identify each period as a distinct administration or “dispensation” of divine grace. God Himself never changes. His successive dispensations achieve His unchanging purpose, revealing Himself and His perfect glory in every human situation. This book casts a dramatic light on Jesus Christ, the focal point of human history.

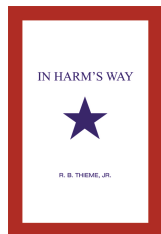

Biblical mandates for the current epoch, the Age of the Church, clarify the Christian's role in history and his unique opportunity for glorifying Christ.

**FREEDOM THROUGH MILITARY VICTORY** Can a believer in Jesus Christ serve his country as a soldier, kill the enemy, and at the same time be a good Christian? Can a believer justify being a conscientious objector? Did God contradict Himself in the commandments, “You shall not murder” and “You shall defeat them, then you shall utterly destroy them”? The Bible answers these critical questions. God established a principle by which a nation may guard its sovereignty, maintain its freedom, and protect its citizenry from the horrors of conquest by a foreign power. An alert and stalwart military force averts armed conflict and deters wanton aggression.

Yet when an enemy aggressor will not be deterred, the military must defend and protect those who cannot defend themselves. Those in military service who place a higher value on

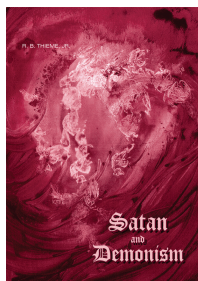

their families, friends, and nation than on their own lives ensure the survival of our cherished liberty. Just as the Lord Jesus Christ made the greatest sacrifice of all history on the cross—dying so that mankind might have eternal life—so the military warriors sacrifice their time, their fortunes, and sometimes their lives that others might live in freedom.

**IN HARM'S WAY** This message is dedicated to the men and women in the military who are on active duty. The present crises in the Middle East remind us once again that military service is honorable and a part of full-time Christian service. God has ordained and given us wonderful principles of doctrine related to freedom through military victory and the maintenance of peace by military deterrent. In World Wars I and II, the Blue Star Service Banner was proudly displayed in the windows of the homes of those serving in the United States armed forces. Each family member in the service was represented by a single star. The banner

served as a constant reminder of those in foreign lands fighting to preserve our freedom. [pocket-sized booklet]

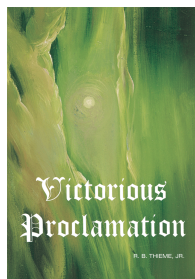

**LEVITICAL OFFERINGS** depicted the person and work of Christ before He “became flesh and tabernacled among us.” The Jewish rituals revealed in the Old Testament give us a new appreciation of our magnificent Savior. Why is He the “Lamb of God”? Why is His saving work called the “blood of Christ”? Five Levitical offerings instituted in Leviticus 1—6 teach vital doctrines concerning our so-great salvation and the mechanics of recovering temporal fellowship with God after committing sin. Generation upon generation of believers learned Bible doctrine from these dramatic ceremonies, and as we view our Lord’s work from this ancient perspective, we increase our own understanding of God’s Word.

**SATAN AND DEMONISM** Before the beginning of human history, Satan and his angels instigated a conflict in the spiritual realm that continues to this very moment. The drama of this spiritual warfare storms across the pages of the Bible from Genesis to Revelation. Mankind was created to resolve this ancient conflict, but Satan and the unseen demon hordes he commands will not suffer defeat without an intense struggle. One tactic Satan employs is the varied facets of demon activity, which have plagued mankind since the fall of Adam. Demonism blinds unbelievers to the Gospel, distracts

believers from the spiritual life, and threatens nations with divine judgment. Those who are ignorant or confused about Satan's subtle strategies become easy prey. The Bible emphatically warns against courting or consorting with any form of demonism. Critical questions continually arise: How do people become enmeshed in demonism? What is demon influence? Who can be demon possessed? Is exorcism valid? How can the believer protect himself from the demonic? Only the Bible can answer these questions and eliminate the confusion.

**VICTORIOUS PROCLAMATION** History's most unique testimony to the Gospel occurred shortly after Jesus Christ rose from the grave. Christ embarked on a remarkable journey to make "proclamation to the spirits in prison." Who were these spirits? Why and where were they incarcerated? The spirits were the "sons of God" of Genesis 6, Satan's minions, who waged war in the antediluvian civilization to prevent the advent of Jesus Christ through whom God would fulfill His promise of salvation. When God judged the earth with a worldwide flood, He imprisoned these transgressing demons in Tartarus. Jesus Christ's pronouncement of His victory on the cross resounded against the gates of hell. The resurrected Christ was visible proof to the incarcerated demons of the utter failure and defeat of Satan's strategy. Jesus Christ had paid the penalty for sin so that anyone can express faith in Him and enter into a relationship with God for all eternity.

## CREATION BOOKS

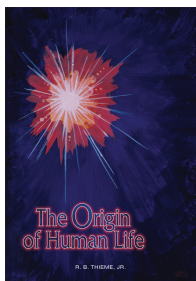

---

---

**CREATION, CHAOS, & RESTORATION** Who has not gazed at the stars on a clear night and wondered at the origin of the universe? Who has not marveled at the order and precise workings of our own planet and pondered its cause? Finally, the most profound mystery of all: How did life begin? Did our complex, orderly universe simply explode into existence by chance alone? Did lifeless matter accidentally spawn living organisms over millions of years, or was everything created instantly by an omnipotent designer? Only the infallible Word of God accurately answers these questions. God instantly created the heavens and the earth. This pristine earth,

originally occupied by the angels, became a chaotic ruin following Satan's revolt against God. In grace God restored the planet in six days for human habitation. Learn the divine account of the origin of the universe and the human race in *Creation, Chaos, and Restoration*.

**THE ORIGIN OF HUMAN LIFE** has kindled intense debate for centuries. How did the human race originate? Did God provide the initial spark of life to Adam then entrust the continuation of that life to mankind? Or does God still breathe the “breath of life” into every human being? If so, when? At conception, during pregnancy, or at physical birth? *The Origin of Human Life* addresses these complex questions and pertinent biblical verses. Some passages appear to be contradictory only because they are misunderstood. Only the Scriptures can resolve the mystery of when human life begins.

### APOSTASY IN THE LAND: AN ESSAY ON HISTORICAL TRENDS

*Sic transit gloria mundi.*

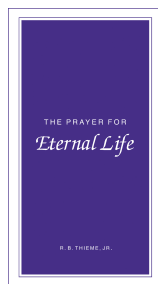

“Thus passes away the glory of the world.”

Heaven and earth will pass away,  
but My words shall not pass away.  
(Matthew 24:35)

**A PRAYER FOR AMERICA** was offered by Pastor Thieme during the aftermath of the terrorist attack on the United States of America, 11 September 2001. Our country needs prayer (2 Chronicles 7:14). These are words of effective, powerful prayer based upon the principles of the Word of God.

**THE PRAYER FOR ETERNAL LIFE** is dedicated to anyone without Christ, without hope, without eternal life. Jesus Christ had you personally in mind when He went to the cross. Every sin that you have ever committed—past, present or future—was imputed to Him and judged so that at this moment you can have eternal life. [Available in English and Spanish.]

## CHILDREN'S BOOKS

---

---

**CHILDREN'S BIBLE STUDIES** contain a treasure-trove of ideas for parents and teachers looking for ways to communicate Bible doctrine at a child's level of understanding. These doctrines are taught through a series of stories that introduce the child to technical theological vocabulary and doctrinal concepts. God mandates the parent to study and learn Bible doctrine. Using their own doctrinal frame of reference, personality, and approach, parents can then fulfill their responsibility to God to teach their children the Word (Deut. 6:6-7). Bible doctrine as a way of life is the most valuable heritage parents can give their children (2 John 4).

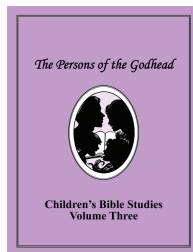

**VOLUME ONE: WHAT GOD WANTS ME TO KNOW** covers the doctrines of sin and salvation and defines the most basic instructions and techniques for living the Christian way of life. Stories and beginning vocabulary help the young child to understand that Christianity is a personal relationship with God through Jesus Christ. Recommended for ages 5 and up.

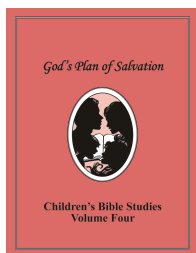

### **VOLUME TWO: WHAT IS GOD LIKE?**

covers two main subjects: the authenticity of the canon of Scripture and the essence of God. The first lessons establish in the child's mind that the Bible is the very Word of God. The following lessons explain what God is like through the doctrine of divine essence. Each divine attribute is presented emphasizing the essence and oneness of the Godhead. Recommended for ages 6 and up.

**VOLUME THREE: THE PERSONS OF THE GODHEAD** begins with a review of the essence of God as taught by the animals. These stories from the Bible use animal behavior, instinct, and characteristics to teach the lessons of salvation, humility, obedience, and faithfulness to God's Word. With these doctrines refreshed in his mind, the child is ready to learn about the Trinity. Each member of the Godhead is presented from His distinct role and His relation to the eternal will and plan of God. Recommended for ages 7 and up.

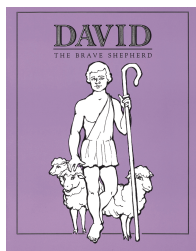

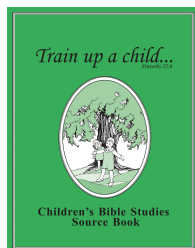

**VOLUME FOUR: GOD'S PLAN OF SALVATION** is an intensified look at the entire scope of soteriology, teaching the necessity, plan, and purpose of salvation. This series also includes a fascinating study on the subject of angels: scriptural documentation to their reality and purpose in the plan of God, the types of angels, and what roles they play. The final chapters of the book teach the story of Jonah to provide a deeper understanding and appreciation of God's love and grace toward sinners, so that the child may see his own place and responsibility within the plan of God. Recommended

for ages 8 and up.

## TRAIN UP A CHILD . . . CHILDREN'S BIBLE STUDIES

**SOURCE BOOK** is a companion resource for the children's book series. It includes curriculum guidelines, sample lesson plans, teaching aid suggestions, a comprehensive research guide, and a glossary. The curriculum is a 'nuts and bolts' outline of Bible doctrines to "train up a child in the way he should go" (Prov. 22:6a). The sample lesson plans demonstrate how to develop a subject. Teaching aid suggestions are a starting point for creative presentations. Publications and recordings of lessons by R. B. Thieme, Jr., and Bible verses are referenced as research material. The glossary is a collection of familiar terms. Designed for parents and teachers of children of all ages.

**DAVID THE BRAVE SHEPHERD** David's defeat of Goliath has inspired and motivated believers since the time of ancient Israel. David's faith in the Word of God and his courage in the face of impossible odds make him an Old Testament hero with a lesson for all of us. Children are especially enthralled with the power of believing God's Word and applying it to their problems. The coloring book *David the Brave Shepherd* is out of print but available for download at [www.rbthieme.org](http://www.rbthieme.org). An audio version to accompany the coloring book is available on the audiobook on MP3 CD

collection *Children's Audio Studies*. Recommended for ages 4 and up.

**THE GREAT ADVENTURE** provides a foundation for parents to begin teaching their children how to face and solve the problems and adversities of life. God has given us the solution to all problems in Bible doctrine. Just as with salvation, learning and using doctrine does not depend on intelligence, age, culture, talent, or human abilities, but on God's grace. If a four-year-old can believe in Jesus Christ as Savior, then he can learn, think, and use Bible doctrine. Recommended for ages 4 and up.

### SELECTED DVD STUDY

---

---

**Adversity vs. Stress (1991)** Thieme taught this special series from May 1991 to February 1992, following the conclusion of the Gulf War. Even though the US-led coalition of 38 nations won decisive victory, our soldiers battled the aftereffects of war and our economy was temporarily rattled.

Adversity is outside pressure from the circumstances of life. When internalized, adversity produces stress in the soul. Stress results in sinful attitudes and actions, thwarts the spiritual life, and can eventuate in mental disorders. While adversity is inevitable, stress is optional. By building a defense line on the soul from metabolized Bible doctrine, any believer can prevent adversity from becoming the inside pressure of stress.

**NEW RELEASE: *Biblical Heroes*** Throughout the Old Testament are stories of biblical heroes—men and women whose faith and courage still speak to us after thousands of years. These distinguished believers trusted God in all manner of circumstances.

Noah walked with God, one righteous man against a corrupted world. Abraham and Sarah received astonishing divine promises, ultimately learning of God's faithfulness in hopeless situations. Joseph saved Egypt from famine, Moses led his people out of slavery, Joshua fought the giants, and Rahab the prostitute outwitted the king's military. These were real people who experienced the grace of God amid real heartaches, trials, and victories, and their testimonies travel down the corridors of time, encouraging us to the same spiritual greatness.

MP3 Collection Title	Description
<i>Biblical Heroes</i>	Biblical heroes of ancient times experienced personal trials of faith and courage similar to our own, and their stories prove to us the timeless value of Bible doctrine. This special highlights the intrepid lives of more than 20 Old Testament figures. [35 lessons]
<i>Royal Family of God</i>	Church Age believers are members of an eternal, spiritual aristocracy. By grace we are united with the King of kings and Lord of lords—Jesus Christ—and adopted as heirs into the royal family of God. Now we must learn to think and act and live like the royalty we are. [26 lessons]

MP3 Collection Title	Description
<i>A Conflict of Powers: The Divine vs. Cosmic System</i>	In this world are invisible, contrasting systems of power that battle for our thinking. The system designed by God—the divine “dynasphere” of love and truth—offers strength, wisdom, and blessing. Satan’s alternative system of arrogance and deception offers weakness, sin, and confusion. At any given time, we reside in one system or the other. [32 lessons]
<i>Solving People Problems</i>	Human relationships are an inevitable source of problems, but such problems have spiritual solutions. Learn the differences between personal and impersonal love, the fallacy of depending on others, and the blessings of knowing God and loving Him above all else. [49 lessons]
<i>The Riches of His Grace</i>	Lavished upon Church Age believers is tremendous spiritual wealth, given by God apart from any human works or merit. The more we lean upon God and His Word, the more we capitalize on these fantastic riches of grace. [48 lessons]
<i>A Far Greater Happiness</i>	Unlike pseudohappiness—which is superficial, unstable, and fleeting—divine happiness is a deep and enduring contentment of soul. The believer’s ultimate objective is to possess that unshakeable joy, the sharing of God’s own happiness. [47 lessons]
<i>Blessing in Suffering</i>	Pain, heartache, and difficulties are designed to stretch us beyond our human resources and reveal our total dependence on God’s grace. When we draw upon the doctrinal resources in our souls and use the assets God has given us, we enjoy marvelous blessings in the very midst of suffering. [50 lessons]

ROBERT B. THIEME, JR. (1918–2009) remains a significant voice of Christianity throughout the world. His diligent, expository teaching is based on the original languages of Scripture in light of the historical context in which the Bible was written. His innovative systems of vocabulary, illustrations, and biblical categories clearly communicate the infallible truths of God's Word. Thieme recorded more than eleven thousand hours of sermons and published more than one hundred books covering much of the Bible.

Thieme graduated from the University of Arizona (Phi Beta Kappa) and Dallas Theological Seminary (summa cum laude). His seminary studies were interrupted by World War II military service during which he rose to the rank of lieutenant colonel in the United States Army Air Corps. After completion of his graduate work in 1950, he became pastor of Berachah Church in Houston, Texas. His extensive training in Greek, Hebrew, theology, history, and textual criticism provided the foundation for his demanding professional life of studying and teaching the Word of God. Thieme retired as pastor of Berachah Church after fifty-three years of faithful service.

**Doctrinal Bible Studies** is a compilation of the material available from the ministry of R. B. Thieme, Jr.

The importance of Bible doctrine cannot be overemphasized. Bible doctrine is the body of teaching drawn from a literal interpretation of the Scriptures—the standard for truth. Bible doctrine provides spiritual nourishment for the Christian.

God commands the Christian to be inwardly transformed. This transformation requires renewing the mind daily through learning and applying Bible doctrine.

For many years Bible classes taught by R. B. Thieme, Jr., have provided daily spiritual food for his congregation. Publications, audio recordings of his classes on MP3 CD, and video recordings of his classes on DVD are available without charge or obligation from R. B. Thieme, Jr., Bible Ministries.
